

Do you or someone you know suffer from gout?

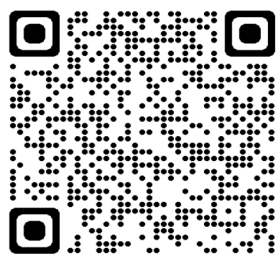

We are seeking volunteers for a clinical research trial studying the safety and effectiveness of an investigational medication in combination with Allopurinol in treating individuals who have gout

You may qualify for this study if:

- You are between the ages of 18 and 75**
- Have had 2 or more gout attacks within the past year**
- Have a body mass index (BMI) of less than 40**

Qualified participants will receive at no cost:

- Study medication in combination with Allopurinol**
- Study-related health tests**
- Study-related care from a board certified physician**

**No health insurance or referrals required
Qualified participants may be reimbursed
up to \$100 for each completed study visit**

**Altoona Arthritis & Osteoporosis Center
Altoona Center for Clinical Research**
